Dear Coach,

In accordance with the recommendations released by the Open Water Review Commission on Tuesday, USA Swimming is re-evaluating the site selection for the 2011 Open Water National Championships. Previously scheduled for Fort Myers in June, concerns have arisen regarding potentially warm water temperature in Fort Myers.

USA Swimming asks all athletes and coaches planning to attend to delay making travel arrangements until the location is finalized. We thank you for your patience as we work to resolve this issue. As soon as we have further information, we will distribute it.
