.6 "Time Trials" is a form of competition whereby athletes are trying to achieve a qualifying time. Time Trials are not scored. Time Trials may or may not be restricted to athletes entered in an affiliated meet. Teams may charge for Time Trials Only when in conjunction with a previously posted meet on the Metro calendar. Time Trial Sanctions will not be permitted on closed championship weekends, unless attached to that championship meet. The total number of events permitted per day in a Time Trial and its affiliated meet is subject to the USA Swimming rules that limit the number of events per day.
